**SUBMISSION OF REVISED APPENDIX
TO THE SUPPLEMENTAL APPEAL BRIEF**

Sir:

The Advisory Action dated July 22, 2003 indicates that the amendment after final (filed July 2, 2003) has been entered and that all claim objections have been removed. Appellants had already filed their Supplemental Appeal Brief on July 17, 2003. Therefore, Appellants hereby submit a Revised Appendix for pending claims 1-28, in triplicate, concerning the above-referenced Application. Attachment of the Revised Appendix to the previously filed Supplemental Appeal Brief is respectfully requested.

CONCLUSION

As discussed in detail in the Supplemental Appeal Brief filed on July 17, 2003, each of Appellants' pending claims specifically recites features and relationships that are neither disclosed nor suggested in any of the applied art. Furthermore, the applied art is devoid of any teaching, suggestion, or motivation for combining features of the applied art so as to produce the recited invention. For these reasons, it is respectfully submitted that all the pending claims are allowable.

Respectfully submitted,

Ralph E. Jockey
